

HOW CONSIGNMENT WORKS

You send the cards. We sell them live on Whatnot. **You keep about 74 cents of every dollar they sell for.**

THREE FEES COME OUT OF THE SALE

7.5%

WHATNOT PLATFORM FEE

Whatnot charges this on every sale. Every seller on the platform pays it.

2.9%+30¢

PAYMENT PROCESSING

The credit card cost. The 30 cents applies one time per order.

15%

NEOWORLD COMMISSION

The show, the sale, the packing, and the customer service.

Shipping is billed at cost. No money comes out of your pocket. Every fee comes out of the sale.

THE MATH ON A \$10,000 SHOW

Total sales	\$10,000.00
Whatnot platform fee 7.5%	-\$750.00
Payment processing 2.9% + \$0.30 × 60 orders	-\$308.00
NeoWorld commission 15%	-\$1,500.00
Shipping at cost	-\$45.00

YOUR PAYOUT

74.0% of total sales

\$7,397.00

10.6%

goes to Whatnot and the credit card companies. This fee is not ours. Every seller pays it.

15%

goes to NeoWorld. This fee pays for the stream, the sale, the packing, and the support.

**CARDS IN A BOX MAKE YOU NOTHING.
CARDS ON A LIVE SHOW RETURN 74 CENTS ON THE DOLLAR.**

About the 30-cent charge. It applies one time per order, not to the sale total. More orders means a slightly lower payout. At 400 orders on the same \$10,000, the payout is \$7,295.00 (73.0%). Plan on 74% in every scenario.
